Dear Graduate:

Below are your *Texas Guaranteed Tuition Plan* (TGTP) Identification Cards (ID) for use from the time you enter college to your college or university at registration to receive credit on your account for your TGTP tuition and school-wide required payment. The institution will bill TGTP directly on your behalf for the benefits covered under your contract.

Please remember that TGTP will only pay for tuition and school-wide required fees up to the amount available on your plan. You may be required to pay fees that are not school-wide required fees and are not covered by the Plan, such as advisor or costs associated with dropped classes or above the hours available on your contract. It is your responsibility to pay for these fees. You will also be responsible for paying the college or university any costs for an out-of-state college or university, to notify the college or university of your intent to use your TGTP contract. The *Intent to Enroll* form and the Student Handbook, which contains information about using your TGTP contract, are available on our website at www.tgtp.org.

If you have questions concerning your *Texas Guaranteed Tuition Plan* contract benefits, please call our staff at 1-800-445-GRAD (4723), Option 2.
Congratulations from all the staff at the *Texas Guaranteed Tuition Plan* on reaching this point in your education. We wish you much success in college and afterwards.
